FOX NEWS @ NIGHT WITH SHANNON BREAM

Lone Survivor Foundation is proud to announce this year's annual fundraising event, with special guest and keynote speaker Shannon Bream, anchor of FOX News Channel's (FNC) FOX News @ Night with Shannon Bream.

This will be our biggest and best event to date! Join us for a fun evening that will include a photo booth, live & silent auction, and an indoor BBQ. Dress code: blue jeans are encouraged! Doors will open at 4:30pm.

Founded in 2010 by retired Navy SEAL Marcus Luttrell, Lone Survivor Foundation provides no-cost programs that help Veterans, and their families recover from the invisible wounds of war.

At Lone Survivor Foundation, we have the privilege of witnessing the strength and courage of the military families who participate in our programs.

Supporters like you make this possible, here are just a few of notes we've received from our Veterans:

"LSF was the most amazing post Army experience in my life... I will NEVER FORGET; I will NEVER GIVE UP! I LOVE YOU ALL and you all will have a huge place in my heart. My son thanks you all too, his Daddy just got stronger!"

"For the first time in 15 years, I feel like its ok to finally live again. I owe it to this retreat! Thank you."

"I didn't know what to expect, but I can sum it up easily. In the four days I was with LSF, I felt I made more breakthroughs and realizations about my disabilities than in three years of therapy at the VA. I made friends and felt a camaraderie I haven't felt in a long time. THIS PROGRAM WORKS and I hope it will help many other veterans like myself for years to come."

Please help us keep our services at no-cost by joining us for an evening of fun and military support!
